Runs for 6 weeks (FINAL DAY 7<sup>th</sup> April).

10am-1pm

Members: \$160 Visitors: \$190

“This workshop will show you how to take a painting from start to finish, focusing on how to lay out your composition and creating an atmosphere/mood for the viewer through colour and tone. Recommend Acrylic for beginners (Oil paints ok too). Definitely recommend painting on Canvas pads or boards, rather than paper.

- Techniques and processes for starting a painting
- Thinking about composition and planning the final result
- Thumbnail studies
- Stylistic techniques
- Tonality (mood)”
