

Watercolour Techniques With Marianne Townsend

5 Weeks
Starts 10th June 10-1pm

These classes will show that watercolours have a charm of their own and for me transparency of the paint is vital, using the paper (white) to create dramatic light effects. Left untouched or creating softened edges against bold colour I will encourage you to become loose & impressionistic with your work. I will guide you in choosing and deciding on a final image. Paint colours and paper choice will all add up to a creative experience and see your confidence grow. There will be a different topic each week and the class will be open to all as we are all artists.

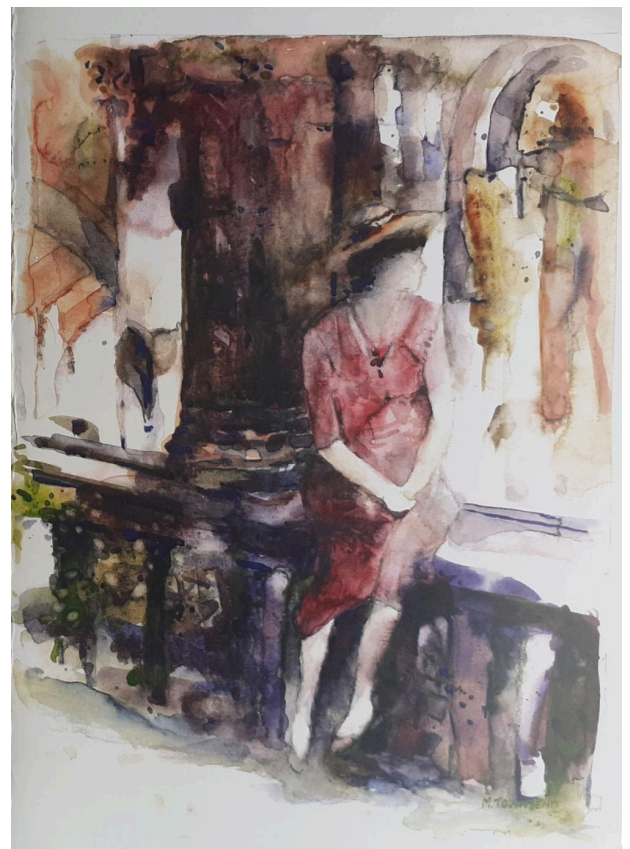

These will be held on Monday June 10th, 17th, 24th and July 1st & 8th The price for members is \$150 and Visitors \$180 for the 5-week course.
