

Acrylic Negative Painting Techniques with Cyndie Bryon

Join Cyndie for a demonstration and workshop using negative painting techniques with acrylics.

Discover how to create depth and variety in your paintings, as she demonstrates how to simplify shapes, apply value changes and add transitions of colour, using veils of light to bring interest and movement to a painting. After the demonstration and morning tea, Cyndie will guide everyone create their own negative painting using these techniques.

These classes fill fast so get your name down.
