

Great New Products on show with Calvin Collins

Wed 22nd May 10-12pm

Kalvin will show us a selection of new “Gansai Tambi” Japanese watercolours, that are unique in the way they handle.

They are made to imitate Sumi Inks and are available in large pans.

Along with Japanese Ink Pens, Sakura Pigment Liners, Zig Brush Pens, and Brushes to use with these and Manga Pens.

He will be bringing different papers such as Rice Paper, Watercolour Paper and other interesting surfaces to try.

Traditional Japanese pan watercolors for professional artists and crafters.

It is recognizable by its vivid color and quick dissolution.

It fulfills the needs of many creators in their pursuit of beauty in their artwork.

Come along to a FREE Product Demonstration with Calvin Collins of the French Art Shop.

He has wonderful new product for you to try out.

Come and have play and morning tea with us.
